"We have chosen to sponsor your organisation as before we began work as a publication company we had a background in mental health nursing with a specialism in autism and learning disabilities. It therefore means a lot to us to support a company who are passionate about providing support to these individuals."

COULD YOU BE OUR NEXT SPONSOR?

To maintain the affordability of our events, we are seeking partnerships with potential sponsors.

Collaborating with us means not only supporting the local community but also making a meaningful impact on the lives of individuals.
